Spring 2010

It's that time of year again. Time to start thinking about what your children would like to do during the summer. Don't forget about San-Lee Park's summer camp. Children ages 4-12 will experience nature up close and personal through hiking, crafts, and hands on experiences. It will be a summer your child will never forget! **Children need to be registered NO LATER THAN June 14, 2010.**
